

## **Unit 3F, Qualifications, Activity 1**

### Read and Answer Questions

This pre-course work assignment will familiarize the student with the Wildland and Prescribed Fire Qualification System and prepare them to actively participate in classroom discussions and get clarification on issues.

Read the Wildland and Prescribed Fire Qualification System's National Training Curriculum [Module 3, Qualification Requirements](#), complete all the exercises, and answer all the questions.

Read the Wildland and Prescribed Fire Qualification System's National Training Curriculum [Module 4, Roles and Responsibilities](#), complete all the exercises, and answer all the questions.

These modules are designed to be delivered either in the classroom or by self-paced. They are self-paced for this lesson. Therefore, make sure you complete all the exercises and answer all the questions. Send completed exercises and answers to the address provided in your course selection letter.
