

### **Unit 4A, Management Implications, Activity 3,**

Review a web site and answer review questions for Lesson 4A

Locate the web site that posts pocket cards and becoming familiar with their use.

Pocket cards can be a useful tool for the firefighter to know and understand past fire danger for a local area as well as current conditions and become aware of potential fire problems with the local unit.

Access the national web site at:

<http://www.fam.nwcg.gov/fam-web/>

Pull up a pocket card for your area and print a copy. Review the pocket card for your area with the NWCG standards.

<http://famweb.nwcg.gov/pocketcards/standard.htm>

Highlight any potential problems from the posted pocket card that need to be corrected and/or adjusted.
