

## Unit 4L, Oversight, Activity 1

Review, read, and answer questions

This assignment will allow you to gain the knowledge to participate in the classroom exercises and to meet the lesson objectives.

Review and read the following documents:

· GAO, *Severe Wildland Fires, Leadership and Accountability Needed to Reduce Risks to Communities and Resources*. GAO-02-259  
Available at: <http://www.gao.gov/new.items/d02259.pdf>

· *Interagency Standards for Fire and Aviation Operations*, Chapters 9, 10 & 11. Available at: [http://www.nifc.gov/red\\_book/](http://www.nifc.gov/red_book/)

The online review system (link below) will ask the following:

List 5 major expectations of the Agency Administrator that you feel are the most important. Give a short rationale for each.

List 3 "Oversight" requirements you feel are important to a successful fire program.

List 3 functions of the Resource Advisor and explain the importance of each function to the unit's success.
