

Staff and Instructor Outreach

The National Wildland Firefighter Apprenticeship Program (WFAP) is seeking talented and motivated individuals to be part of our team for upcoming academy sessions Fall 2016 - Spring 2017.

Why apply?

The WFAP provides opportunities to teach, lead and mentor the up and coming firefighting workforce.

Network with other professionals ▪ Build your resume ▪ Share your experience ▪ Be the change

What does it take to participate?

- ***A desire to want to affect positive change by mentoring and teaching up and coming firefighters***
- ***One week up to one month+ commitments (depending on position)***
- ***Supervisor Approval***
- ***Submit application by **September 9, 2016** for priority. Applications will be accepted after this date, but will not receive priority consideration.***

For more details, please see the application and guide at: <http://www.wfap.net/jobs.html>

****** All costs (travel, salary & per diem) are covered by the WFAP ******
